JUDGMENT

IRONSHORE INDEMNITY INC.,

Defendant.

-----X

It is hereby **ORDERED, ADJUDGED AND DECREED:** That for the reasons stated in the Court's Opinion and Order dated December 10, 2021, because the Prior Acts Exclusion means that the conduct underlying the Judgment is not covered by the insurance policy that Ironshore issued to Varvatos, Ironshore's motion to dismiss is granted. The plaintiff's motions for partial summary judgment and for class certification are denied as moot. Judgment is entered for Ironshore; accordingly, the case is closed.
